4.4 The Buyer shall take delivery of the Goods within 10 working days of the Company giving it notice that the Goods are ready for delivery. 4.7.2 the Goods shall be deemed to have been delivered;
4.7.3 the Company may store the Goods until delivery, whereupon the Buyer shall be liable for all related costs and expenses (including, without limitation, storage and insurance); and
4.7.4 if the Buyer fails to accept delivery of the Goods then the Goods shall be stored by the Company at the cost and expenses of the Buyer. In the event a period of 14 days has elapsed following the failure by the Buyer to accept delivery of the Goods the Company shall have the power (but not the obligation) to sell the Goods for the account of the Buyer and apply the proceeds of sale in diminution of any amount due to the Company from the Buyer whether in respect of the Contract relating to the Goods or in respect of any other amounts whatsoever due to the Company from the Buyer.
4.8 The Buyer shall provide at the delivery point and at its expense adequate and appropriate equipment and manual labour for loading the Goods.
4.9 If the Company delivers to the Buyer a quantity of Goods of up to 5% more or less than the quantity accepted by the Company, the Buyer shall not be entitled to object to or reject the Goods or any of them by reason of the surplus or shortfall and shall pay for such goods at the pro rata Contract rate.
4.10 The Company may deliver the Goods by separate instalments. Each separate instalment shall be invoiced and paid for in accordance with the provisions of the Contract.
4.11 Each instalment shall be a separate Contract and no cancellation or termination of any one Contract relating to an instalment shall entitle the Buyer to repudiate or cancel any other Contract or instalment.
4.12 The Company will repair or replace free of charge Goods damaged in transit provided the Buyer shall give to the Company written notification of such damage within 5 working days of delivery. The Company shall not be obliged to accept the return of damaged Goods unless the Company or its agent or representative has first had the opportunity of examining the Goods.
4.13 The Company shall have the right to suspend or cancel all further deliveries under any Contract or to refuse to accept further orders in the event that the Buyer is in default at any time of any sums due to the Company.

5. Non-delivery

5.1 The quantity of any consignment of Goods as recorded by the Company upon despatch from the Company's place of business shall be conclusive evidence of the quantity received by the Buyer on delivery unless the Buyer can provide conclusive evidence proving the contrary.
5.2 The Company shall not be liable for any non-delivery of Goods (even if caused by the Company's negligence) unless the Buyer gives written notice to the Company of the non-delivery within five days of the date when the Goods would in the ordinary course of events have been received.
5.3 Any liability of the Company for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or issuing a credit note at the pro rata Contract rate against any invoice raised for such Goods.

6. Risk/title

6.1 The Goods are at the risk of the Buyer from the time of delivery.
6.2 Subject to condition 6.5, ownership of the Goods shall not pass to the Buyer until the Company has received in full (in cash or cleared funds) all sums due to it in respect of:
6.2.1 the Goods; and
6.2.2 all other sums which are or which become due to the Company from the Buyer on any account whatsoever.
6.3 Until ownership of the Goods has passed to the Buyer, the Buyer shall:
6.3.1 hold the Goods on a fiduciary basis as the Company's bailee;
6.3.2 store the Goods (at no cost to the Company) separately from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Company's property;
6.3.3 not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods or process the Goods;
6.3.4 maintain the Goods in satisfactory condition and keep them insured on the Company's behalf for their full price against all risks to the reasonable satisfaction of the Company. On request the Buyer shall produce the policy of insurance to the Company; and
6.3.5 notify the Company immediately if the Buyer becomes subject to an Insolvency Event.
6.4 In the event of default in payment on the Due Date (as defined in condition 8.1) of any sum owing to the Company, or if the Buyer becomes subject to an Insolvency Event, then the Company shall be entitled to the immediate return of all Goods sold by the Company to the Buyer in which the property has not passed to the Buyer and the Buyer hereby irrevocably authorises the Company to recover the Goods and the enter any premises of the Buyer for that purpose. Demand for or recovery of the Goods by the Company shall not of itself discharge either the Buyer's liability to pay the whole of the price and take delivery of the Goods or the Company's right to sue for the whole of the price and all other costs incurred by the Company.
6.5 The Company may (in its absolute discretion), by giving written notice to the Buyer, pass legal and beneficial ownership of the Goods (or any of them) to the Buyer at any time before such ownership would otherwise have passed to the Buyer.
6.6 The Buyer may resell the Goods before ownership has passed to it solely on the following conditions:
6.6.1 any sale shall be effected in the ordinary course of the Buyer's business at full market value; and
6.6.2 any such sale shall be a sale of the Company's property on the Buyer's own behalf and the Buyer shall deal as principal when making such a sale.
6.7 If the Buyer resells the Goods as set out in clause 6.6, the Buyer will hold such part of the proceeds of sale as represents the amount owed by the Buyer to the Company in trust for the Company and will account to the Company accordingly.
6.8 The Buyer's right to possession, use and resale of the Goods shall terminate immediately if, before ownership of the Goods passes to the Buyer in accordance with conditions 6.2, 6.5 or 6.6:
6.8.1 the Buyer experiences an Insolvency Event; or
6.8.2 the Company gives the Buyer written notice that it has any concerns regarding the financial standing of the Buyer; or
6.8.3 the Buyer fails to observe or perform any of his/its obligations under this Contract or any other contract between the Company and the Buyer; or
6.8.4 the Buyer encumbers or in any way charges any of the Goods.
6.9 The Company shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Company.
6.10 The Buyer grants, and will procure that the owner of any relevant third party premises grants, the Company, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where the Buyer's right to possession has terminated, to recover them.
6.11 Where the Company is unable to determine whether any Goods are the goods in respect of which the Buyer's right to possession, use and resale has terminated, the Buyer shall be deemed to have sold all goods of the kind sold by the Company to the Buyer in the order in which they were invoiced to the Buyer.
6.12 If the Buyer's right to possession, use and resale of the Goods terminates in accordance with condition 6.8, the Company will be entitled to issue the Buyer with a credit note for all or any part of the price of the Goods together with value added tax thereon.
6.13 On termination of a Contract, howsoever caused, the Company's (but not the Buyer's) rights contained in this condition 6 shall remain in effect.

7. Price

7.1 Unless otherwise agreed by the Company in writing, the price for the Goods shall be the price set out in the Company's price list published on the date of delivery or deemed delivery.
7.2 The Company will be entitled to vary the prices at any time and such varied prices will apply to all Goods ordered on or after the date of the price variation. The Company will provide the Buyer with a revised price list setting out such varied prices.
7.3 The Company may, acting in its sole discretion, apply discounts to the prices.
7.4 The price for the Goods shall be exclusive of any value added tax (and any other similar or equivalent taxes, duties, fees and levies imposed from time to time by any government or other authority) and all costs or charges in relation to packaging, loading, unloading, carriage and insurance, all of which amounts the Buyer shall pay in addition when it is due to pay for the Goods.

8. Payment

8.1 Subject to condition 8.4, payment of the price for the Goods is due in the currency denominated on the invoice and the price and all taxes, duties and charges payable by the Buyer shall be paid by the Buyer to the Company within 30 days from the date of the invoice issued by the Company to the Buyer (the "Due Date") and time for payment shall be of the essence unless otherwise provided by the Contract. Where the parties agree an alternative date for payment in the Contract, any reference to the Due Date in these conditions (other than this condition 8.1) shall be read accordingly. Notwithstanding any purported contrary appropriation by the Buyer, the Company will be entitled, by giving written notice to the Buyer, to appropriate any payment by the Buyer to any invoice issued by the Company.
8.2 Time for payment shall be of the essence. No payment shall be deemed to have been received until the Company has received cleared funds. All payment will be made in the acceptable currency as notified by the Company to the Buyer and in available cleared funds by electronic transfer to the following bank account (as is stated below for the relevant payment currency) or such other bank account as the Company may nominate from time to time:

8.5 The Buyer will use reasonable endeavours to use an e-billing system as required by the Company and the Company reserves the right to charge the Buyer a reasonable sum for issuing paper invoices and other billing documentation.
8.6 The Buyer shall make all payments due under the Contract in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Buyer has a valid court order requiring an amount equal to such deduction to be paid by the Company to the Buyer.
8.7 Without prejudice to the Company's rights and remedies under the Contract or at law, if the Buyer fails to pay the Company any sum due pursuant to the Contract, the Buyer shall be liable to pay interest to the Company on such sum from the due date for payment either at the annual rate of 2% above the base lending rate from time to time of Barclays Bank plc accruing on a daily basis until payment is made, whether before or after any judgment or interest calculated under the Late Payment of Commercial Debts (Interest) Act 1998 whichever is higher.
8.8 If the Buyer fails to make any payment due to the Company under the Contract within 5 working days after the Due Date, the Company will be entitled to withhold further deliveries of Goods until payment of all overdue sums has been made and to cancel any or all orders accepted by the Company which have not yet been delivered.
8.9 If the Buyer fails to make any payment due to the Company under the Contract on or before the Due Date or if the Company has any concerns regarding the Buyer's financial standing, the Company will be entitled, by giving written notice to that effect to the Buyer, to vary the invoicing and/or payment terms set out in the Contract.
8.10 If the Buyer fails to make any payment due to the Company under the Contract on or before the Due Date or if any of the circumstances set out in conditions 6.8.1, 6.8.3 or 6.8.4 arise or if the Company has any concerns regarding the Buyer's financial standing under condition 6.8.2, then all invoices will immediately become due and payable.
8.11 The Company reserves the right to review and adjust all credit limits offered to the Buyer and, acting in its sole discretion, the Company may remove, limit or vary such credit limits at any time without notice and for any reason.
8.12 The Company reserves the right, by giving notice to the Buyer at any time before delivery, to increase the price of the Goods to reflect any increase in the cost to the Company which is due to:
8.12.1 any factor beyond the control of the Company (such as, without limitation, any foreign exchange fluctuation, currency regulation, alteration of duties, significant increase in the costs of labour, materials or other costs of manufacture);
8.12.2 any change in delivery dates, quantities or specifications for the Goods which is requested by the Buyer; or
8.12.3 any delay caused by any instructions of the Buyer or failure of the Buyer to give the Company adequate information or instructions.

9. Warranties

9.1 Subject to the conditions set out below the Company warrants that the Goods will materially correspond with their specification at the time of delivery and will be of satisfactory quality within the meaning of the Sale of Goods Act 1979 for a period of twelve months from delivery.
9.2 The above warranty is given by the Company subject to the following conditions:

If delivery is not refused, and the Buyer does not notify the Company in accordance with this condition 9.4, the Buyer shall not be entitled to reject the Goods and the Company shall have no liability for such defect or failure, and the Buyer shall be bound to pay the price as if the Goods had been delivered in accordance with the Contract.

9.5 Where any valid claim in respect of any of the Goods which is based on any defect in the quality or condition of the Goods or the failure to meet specification is notified to the Company in accordance with these conditions, subject to condition 9.7, the Company shall be entitled to replace the Goods (or the part in question) free of charge or, at the Company's sole discretion, refund to the Buyer the price of the Goods (or a proportionate part of the price), provided that, if the Company so requests, the Buyer shall return the Goods or the part of the such Goods which is defective, to the Company.

9.6 Subject to condition 9.4 and condition 9.7, if any of the Goods do not conform with the warranty in condition 9.1, the Company shall at its option repair or replace such Goods (or the defective part) or refund the price of such Goods at the pro rata contract rate, provided that, if the Company so requests, the Buyer shall return the Goods or the part of such Goods which is defective to the Company.

9.7 The Company shall not be liable for a breach of the warranty in condition 9.1 if the Buyer makes any further use of such Goods after giving such notice as per condition 9.4.

9.8 If the Company complies with condition 9.6 it shall have no further liability for a breach of the warranty in condition 9.1 in respect of such Goods.

10. Limitation of Liability

10.1 Subject to condition 4, condition 5 and condition 9, the following provisions set out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to the Buyer in respect of:

10.1.1 any breach of these conditions;

10.1.2 any use made or resale by the Buyer of any of the Goods, or of any product incorporating any of the Goods; and

10.1.3 any representation, statement or tortuous act or omission including negligence arising under or in connection with the Contract.

10.2 All warranties, conditions and other terms implied by statute or common law (save for the conditions implied by section 12 of the Sale of Goods Act 1979) are, to the fullest extent permitted by law, excluded from the Contract.

10.3 Nothing in these conditions excludes or limits the liability of the Company:

10.3.1 for death or personal injury caused by the Company's negligence; or

10.4.2.7 loss of use or value of any data or software; and

10.4.2.8 wasted management, operational or other time,

in each case whether direct, indirect or consequential loss or damages, or any claims for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the Contract.

10.5 The exclusions from, and limitations of, liability set out in condition 10.3 and condition 10.4 will be considered severally. The invalidity or unenforceability of any one sub-condition or condition will not affect the validity or enforceability of any other sub-condition or condition and will be considered severable from each other.

10.6 Notwithstanding any other condition set out in these conditions, the Company will not be in breach of these conditions and/or the Contract to the extent that its failure to perform or delay or any defect in the performance of its obligations under the Contract arises as a result of:

10.6.1 any breach by the Buyer of its obligations contained in the Contract provided that the Company uses its reasonable endeavours to perform its obligations notwithstanding the breach by the Buyer;

10.6.2 the Company relying on any incomplete or inaccurate data provided by a third party; or

10.6.3 the Company complying with any instruction or request by the Buyer or one of its employees.

11.2 Subject to condition 11.1, if Goods are returned to the Company by the Buyer because they are no longer required, are surplus stock, or returned as payment in lieu of monies due, the Buyer shall pay the Company such costs of carriage as may be incurred by the Company and in addition a handling charge of 15% plus value added tax of the price of the Goods at the date of sale of the Goods.

11.3 The returned Goods must be in saleable condition, in the original undamaged packaging and without any price labels affixed. Any items received in poor condition will be returned to the Buyer.

12. Samples

12.1 If the Buyer examines a sample of the Goods, the Company will not be responsible for the quality or fitness thereof for any purpose but the Buyer must take them on his own judgement as a result of such examination.

12.2 Notwithstanding that a sample of the said Goods has been exhibited to and inspected by the Buyer, the Buyer shall accept that the Contract shall constitute a sale by sample and the Buyer shall take the Goods at his own risk as to their corresponding with the sample or as to their quality condition or sufficiency for any purpose.

12.3 Where a sale is a sale by sample under conditions 12.1 and 12.2 above, the Buyer shall not be entitled to rely on any description of the Goods by the Company and the Company shall have no liability arising from any description of the Goods.

12.4 Whether or not there is provision within the Contract for the production by the Company of a sample, any sample or other work produced at the Buyer's request will constitute an order for Goods in respect of which the Company is entitled to charge and be paid.

12.5 The Company shall have the right, at its discretion, to send the Buyer at any time samples of any of the Goods and samples of any new product made or supplied by the Company and the Buyer shall notify the Company upon receipt whether the Buyer wishes to retain or return the samples. If the Buyer wishes to retain the samples the Company shall invoice the Buyer for the samples. If the Buyer does not wish to retain the samples the Buyer must return the samples to the Company as the Company may direct.

13. Assignment and Subcontracts

13.1 The Company may assign, subcontract transfer, charge, hold on trust for any person and deal in any other manner with any of its rights and obligations under the Contract or any part of it to any person, firm or company.

13.2 The Buyer shall not be entitled to assign, transfer, charge, hold on trust for any person or deal in any other manner with any of its rights and obligations under the Contract or any part of it without the prior written consent of the Company with such consent to be given or withheld at the absolute discretion of the Company. However, the restriction on assignment will not apply to the extent that it would have no effect under The Business Contract Terms (Assignment of Receivables) Regulations 2018.

14. Re-sale

14.1 It is a condition of sale that the Goods are sold to the Buyer solely for the purpose of retail sale by the Buyer directly to a Customer. The Goods shall not be sold by the Buyer other than to a Customer.

14.2 Without prejudice to the generality of the foregoing, the Buyer shall not sell, dispose of, exchange or otherwise supply the Goods to anyone dealing in the course of a business, whether such business is in relation to Goods of a nature identical or similar to the goods sold by the Buyer or otherwise.

14.3 Any Goods supplied or sold by the Buyer in breach of condition 14.2 above shall not have the benefit of the Company's product warranty and further the Company's liability in respect of such Goods shall be limited to the fullest extent permitted by law.

14.4 Buyers purchasing Goods for resale to consumers acknowledge it is their responsibility to process any after sales enquiries, consumer returns and repairs (where appropriate having consulted with the Company). The Company will refer any direct enquiries from consumers to the Buyers who sold the Goods to the consumer.

15. Force Majeure

The Company reserves the right to defer the date of delivery or to cancel the Contract or reduce the volume of the Goods ordered by the Buyer (without liability to the Buyer) if it is prevented from or delayed in the carrying on of its business due to the occurrence of a Force Majeure Event, provided that, if the Force Majeure Event in question continues for a continuous period in excess of 180 days, the Buyer shall be entitled to give notice in writing to the Company to terminate the Contract.

16. Intellectual Property

16.1 Nothing in these conditions or the Contract will operate to transfer to the Buyer or, save as otherwise expressly provided, to grant to the Buyer any licence or other right to use any of the Company's Intellectual Property Rights, save that the Buyer may use the Company's Intellectual Property Rights in the Goods solely to the extent necessary to exercise its rights and perform its obligations under the Contract.

16.2 The Buyer shall not tamper with any markings or name plates or other indication of the source of origin of the Goods which may be placed by the Company on the Goods.

16.3 The Buyer shall not use any name or mark similar to or capable of being confused with any name or mark of the Company.

16.4 The Buyer shall not use the Company's trade marks in a way which might prejudice their distinctiveness or validity or the goodwill of the Company or otherwise use any trade marks or names so resembling the Company's trade marks as to be likely to cause confusion or deception.

16.5 The Buyer will not apply to register any of the Intellectual Property Rights in or relating to the Goods or any trade marks or trade names so nearly resembling the Company's trade marks or trade names as to be likely to deceive or cause confusion.

16.6 Any drawings, sketches, quotations, designs, models or prototypes and any other documents and the copyright therein supplied by the Company shall remain the property of the Company and may not be used or reproduced or passed to any third party either in whole or in part.

16.7 The Buyer shall not at any time divulge or allow to be divulged to any person any confidential information relating to the Goods which the Company may have passed to the Buyer at any time.

16.8 If the Buyer becomes aware of a Relevant Claim or any matter that might give rise to a Relevant Claim:

16.8.1 it will immediately give written notice to the Company of that fact (stating in reasonable detail the nature of the Relevant Claim or matter and, if practicable, the amount claimed) and consult with the Company in respect of that Relevant Claim or matter that may give rise to a Relevant Claim;

16.8.2 the Buyer will not settle or compromise or make any admission of liability, agreement or compromise in relation to any Relevant Claim or matter that may give rise to a Relevant Claim without the prior written consent of the Company;

16.8.3 the Buyer will at all times disclose in writing to the Company all information and documents relating to the Relevant Claim or the matter that might give rise to a Relevant Claim;

16.8.4 if requested by the Company, the Buyer will give the Company and its professional advisers reasonable access within usual business hours to the personnel and premises of, and to all assets, accounts, documents and records within the power, possession or control of, the Company for the purpose of interviewing or examining them (as appropriate) and the Company may take photographs of the premises and assets and copies of the accounts, documents and records at its own expense;

16.8.5 the Buyer will take all such actions as the Company may request to dispute, resist, defend, appeal, settle, compromise, remedy or mitigate any Relevant Claim or matter that might give rise to a Relevant Claim including using professional advisers nominated by the Company; the Company being responsible to reimburse the Buyer for all reasonable professional costs properly incurred by the Buyer as a result of such a request by the Company;

16.8.6 if so requested by the Company, the Buyer will allow the Company exclusive conduct of all proceedings in relation to the Relevant Claim in the name of and on behalf of the Buyer, at the cost of the Company; and

16.8.7 if the Company takes conduct of a Relevant Claim then the Company will give reasonable information on a reasonably regular basis to the Buyer as to the progress of that Relevant Claim.

16.9 If the Buyer becomes aware of any actual, threatened or suspected infringement of the Company's Intellectual Property Rights, the Buyer will promptly give written notice of this to the Company and will, at the request of the Company, provide such assistance as the Company may require in connection with any action that it takes in relation to the same. The Buyer will take no steps or enter into any proceedings with respect to such infringement or claim without the prior written consent of the Company.

16.10 The Buyer will take all such steps as the Company may require to assist the Company in maintaining the validity and enforceability of the Intellectual Property Rights of the Company during the term of the Contract.

16.11 Without prejudice to the right of the Buyer or any third party to challenge the validity of any Intellectual Property Rights of the Company, the Buyer will not do or authorise any third party to do any act which would or might invalidate or be inconsistent with any Intellectual Property Rights of the Company and will not omit or authorise any third party to omit to do any act which, by its omission, would have that effect.

16.12 The Buyer will not use the word 'Fox' and/or 'Fox International' in any domain name used by the Buyer and will hereby transfer all rights of the Company in such domain names and shall on demand transfer operational control of the website to the Company.

17. Breach of Contract

If the Buyer shall commit any breach of these conditions other than non-payment of the price and shall fail to remedy such breach which may be capable of remedy within a reasonable period from receipt of a notice in writing from the Company requesting such remedy, then the Company shall be entitled without prejudice to its other rights within these conditions to forthwith suspend or cancel all further deliveries until the default has been made good. Notwithstanding any termination of a Contract the Buyer shall pay to the Company the price for all the Goods delivered up to and including the date of termination.

18.2 Each right or remedy of the Company under the Contract is without prejudice to any other right or remedy of the Company whether under the Contract or not.

18.3 If any provision of the Contract is found by any court, tribunal or administrative body of competent jurisdiction to be wholly or partly illegal, invalid, void, voidable, unenforceable or unreasonable it shall to the extent of such illegality, invalidity, voidness, voidability, unenforceability or unreasonableness be deemed severable and the remaining provisions of the Contract and the remainder of such provision shall continue in full force and effect.

18.4 Failure or delay by the Company in enforcing or partially enforcing any provision of the Contract shall not be construed as a waiver of any of its rights or remedies under the Contract.

18.5 Any waiver by the Company of any breach of, or any default under, any provision of the Contract by the Buyer shall not be deemed a waiver of any subsequent breach or default and shall in no way affect the other terms of the Contract. A waiver of any breach or default will only be valid if it is in writing and signed by the Company and only in the circumstances and for the purpose for which it was given.

18.6 Save as otherwise expressly provided in these conditions, no variation to the Contract will be effective unless it is in writing and signed by a duly authorised representative on behalf of each of the parties.

18.7 Nothing in these conditions or the Contract and no action taken by the parties in connection with it or them will create a partnership or joint venture or relationship of employer and employee between the parties or give either party authority to act as the agent of or in the name of or on behalf of the other party or to bind the other party or to hold itself out as being entitled to do so.

18.8 Each party agrees that it is an independent contractor and is entering into the Contract as principal and not as agent for or for the benefit of any other person.

18.9 The Company's employees, agents and sub-contractors will be entitled to enforce condition 10 subject to and in accordance with the Contracts (Rights of Third Parties) Act 1999 and the Contract.

18.10 Subject to clause 18.9, the parties to the Contract do not intend that any term of the Contract shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a party to it.

18.11 The Company's rights and remedies set out in these conditions and the Contract are in addition to and not exclusive of any rights and remedies provided by law.

18.12 The formation, existence, construction, performance, validity and all aspects of the Contract shall be governed by English law and the parties submit to the exclusive jurisdiction of the English courts.
